RE: May 19th & 20th

Are you interested in educating the Senior Management staff members from CMS, WPS, and attorneys from the Board of Healing Arts? They are very interested in your opinions and concerns and reducing your hassles. They would like to experience grassroots medicine practiced by caring, busy physicians. The Medical Society of Johnson & Wyandotte Counties would like to give you the opportunity to inform the staff members about the challenges of practicing medicine today. This is our Twenty-Sixth Physician Preceptor Program which has been a very successful educational link between physicians and motivated members from various sectors of the community including, business and insurance company leaders, state and congressional legislators and local and national CMS staff.

Please choose two half-day segments that you could work with a participant. For flexibility choose an additional alternate half-day. A complimentary wrap-up dinner will be held Thursday, May 20th at 6:00 PM at Fiorelli's Jack Stack BBQ, 13645 Holmes Rd, Kansas City, Missouri. Your presence at the dinner is heartily encouraged. The wrap up dinner gives everyone a chance to discuss what they've observed and learned through their experience(s). This program has in the past always been enlightening, enjoyable and popular with preceptors and preceptees.
